Class Registration

Students may reserve a spot in a class by registering through our website at <https://www.manntools.com/classes>, by phone (803-252-7777) or in store. Once you have paid the class fees your spot is reserved. If a class is full you may get on a waiting list by contacting a salesperson.

Cancellation Policy

Due to the underlying expenses and preparation time inherent in the classes we offer, in addition to the limited number of students that can be accommodated in our classroom, Mann Tool does not provide refunds or exchanges for cancellations that occur within 10 days of the scheduled event. Participants who give more than 10 days notice will receive a full refund.

Each class has a minimum number of participants required for the class to be held. Mann Tool reserves the right to cancel a class up to 48-hours prior to its scheduled time if the minimum enrollment has not been met. In this case, the participants have the choice of a full refund or a credit towards the enrollment costs for a future class.
